Field Trips Without Permission Slips

Frankfort, Germany Grades 1st-3rd

Gabi is traveling to a city which is the business and finance capital of Germany. This city is also one of the most desirable places to live in and visit. With a rich collection of museums, art and culture, Frankfurt is an excellent place to visit.

1. When Gabi arrives in Frankfurt, she will land at the fourth-biggest airport in the world. If the number of passengers that arrive at the airport is doubled, how many people would use the airport in one year?
2. Gabi wants to visit the zoo to see all of the animals. If half of the animals remain inside because of the heat, how many animals could she see outside?
3. A dollar bill in Frankfurt's money was called the Mark. How much is one Mark worth in the United States money?
4. The best way to sight-see the city of Frankfurt is the double decker, open-air Frankfurt City Hop-on Hop-off Bus Tour. If Gabi goes to each stop, how many stops will she visit?
5. Gabi wants to go shopping since the markets are always a good place to get a feel for a city. If there are 125 new market stalls to open, how many will there be in total?
6. A lot of people who live in Frankfurt were born in another city. If half of the residents in Frankfurt were born in a different city, how many residents would be born in Frankfurt?
