Barcelona, Spain Grades 1st - 3rd

We are traveling to a beautiful city on the coast of Spain called Barcelona. This is an excellent place because of its arts, fashion, and culture.

1. The city of Barcelona is located in a country called Spain. Barcelona dates back into the 1800s. If the country of Spain was founded in 1810, how many years passed before Barcelona was founded?
2. A major cultural shock in visiting places like Barcelona is that money is different. A dollar in Barcelona is called the euro, but the euro is worth more. If we have 3 euro, how much money is that in the United States?
3. There are so many beautiful museums in the city, but most people think that the Picasso Museum is the best. Find out how many works of art are exhibited, then subtract 200.
4. When you want to go shopping there are a lot of stores called Zara. You can find Zara Stores on almost every corner in Barcelona. Most people think that there are five times as many Zara Stores as there are malls. If there are 5 malls, how many Zara Stores will we find?
5. When you go to a beach in Barcelona, the beaches are located on the Mediterranean Sea. If we visit 4 beaches, but plan to go to all of them before we leave, how many more beaches must we visit?
6. There are a lot of different languages spoken in Barcelona because it is such a great international city. If English, French, and Spanish are three of the languages spoken, how many more languages do people speak?
